Aloha,

My name is Rich Payne and I am seeking election to the United States House of Representatives. After 40 years of one party dominating the political landscape in Hawaii, its time for a new beginning. Hawaii deserves someone who speaks for all of the people, not just the contributors to the Democrat party.

As a candidate, I support economic reform in Washington. I support permanent tax cuts so you can keep more of your hard earned dollars at home, privatization of social security so your retirement is in your hands and not the hands of the federal government, and national right to work legislation so you have a CHOICE whether you wish to be a union member or not. I feel that my stance on these issues would provide economic benefits to all that call Hawaii their home.

Democrats want to keep your hard earned money for themselves and their union friends. Is this how you want your government to work for you? If it isn't then consider voting for a new voice in Hawaii politics. Remember, a vote for Payne means less financial pain.

Mahalo for your support.

Aloha,

Rich Payne
